To Whom It May Concern:

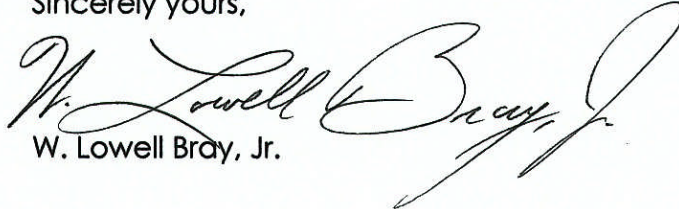

On April 27, 2005, the Florida Supreme Court approved Electronic Filing for Pasco County, Florida. Pursuant to Administrative Order 2005-065, all documents in Probate and Guardianship proceedings are required to be filed electronically (effective November 1, 2005).

Please note, the formatting of electronic documents necessitates that the presiding judge's signature be located on the left margin. Orders with a signature on the left margin should be recognized and considered official.

For additional information you may refer to the Pasco County Clerk of the Circuit Court website at www.pascoclerk.com or the Sixth Judicial Circuit website at www.jud6.org.

Thank you for your attention to this matter.

Sincerely yours,
