

**NOTICE TO ALL VENDORS
INFORMATION REGARDING YOUR CONTRACT WITH THE
SIXTH JUDICIAL CIRCUIT**

- Contracts with the Sixth Circuit executed on or after July 1, 2013, will be posted online in a secure contract tracking system website.
- The following information will be redacted from contracts prior to posting on the contract tracking system website:
 - Your signature
 - Your home telephone number and home address
 - Your Social Security Number
 - Other personal information **if you request that such information be redacted.**
 - Attached are examples of two redacted contracts.
- These actions are required by Chapter 2013-54, Laws of Florida, which was adopted by the 2013 Florida Legislature. This legislation requires the Chief Financial Officer (CFO) to establish and maintain a secure contract tracking system in which images of state contracts are available for viewing and downloading by the public through a secure website. The legislation requires that exempt and confidential information be redacted from contracts and procurement documents posted on this website. The CFO is authorized to regulate and prohibit the posting of records that could facilitate identity theft or fraud, compromise an investigation, reveal undercover personnel, reveal trade secrets, and other similar information.
