

INFORMATION REGARDING SETTING CIRCUIT CIVIL AND FORECLOSURE CASES IN PINELLAS COUNTY

The Sixth Judicial Circuit in Pinellas County is currently undergoing a transition to a new Foreclosure Backlog Section. As the logistics of reassigning cases are worked out, some new hearing times are being held in abeyance. Instruction on setting hearing times for residential and commercial foreclosure cases **filed before January 1, 2013**, is available at [Section 33 Instructions and Judicial Practice Preferences](#).

Hearing times for all other circuit civil matters, or for foreclosure cases filed in 2013 are available by contacting the office of the assigned section judge.

There are currently no changes to the procedures for scheduling cases with the foreclosure case managers that are set on the senior judge calendars. To view the current procedures, go to:

Thank you for your cooperation and patience during our transition to a new system of handling older foreclosure matters.
