## **Administrative Order Suspends Automatic Referral Of Mortgage Foreclosures to Managed Mediation**

CLEARWATER – Newly implemented Administrative Order 2011-064 PA/PI-CIR has temporarily suspended the automatic referral of residential mortgage foreclosure cases to the Foreclosure Mediation Program.

However, all other provisions of Administrative Orders 2010-025 and 2011-014 – including the filing of Form A – remain in effect until further order from the Court. Service of process will not be issued without the filing of a Form A as the order requires.
